

## Sync ACM Calendar with Your Google Calendar!

1. Copy this link: [https://www.google.com/calendar/ical/email.wm.edu\\_573qd4gnloffnc1p5fsjs7ri38%40group.calendar.google.com/public/basic.ics](https://www.google.com/calendar/ical/email.wm.edu_573qd4gnloffnc1p5fsjs7ri38%40group.calendar.google.com/public/basic.ics)
2. Go to Google Calendar and click the little dropdown next to "Other Calendars"

3. From the menu, select "Add By URL", paste the above link into the box, and then click the box that says "Add Calendar" - your web calendar will now be synced with the official ACM calendar.

5. If you have your Google Calendar synced up with your iPhone and you want to see ACM events on the native Calendar app, go here: <https://calendar.google.com/calendar/iphoneselect> and make sure ACM@WM has a check next to it.
